**What to Do and Where to Eat!**

**La Rue de Troc**

Historically, colonists would have to pass this street on route to paying their taxes at the Royal Treasury. It began in the 1600s when the new artists Pierre Lasserre and Harry Merlot displayed their artwork on this street. Like the soap opera, many undiscovered artists gathered here to display their artwork the general public. Over time, the A.A.R.T. (Association des Artistes de la Rue du Troc) was established to ensure the quality and high standards of artwork would be met for emerging artists. This place is a wonderful opportunity to admire and purchase paintings and drawings by artists.

**Gold in the Americas**

To commemorate Québec’s anniversary, a special exhibit in the Museum of Civilization in Québec City, will feature Gold in Americas. This exhibit will feature a variety of rare gold collections before Columbus, through the gold rush to present day. There are over 400 articles borrowed from various parts of the world. The exhibit opened April 30, 2008 and will remain open until January 9, 2009.

51 Bélanger Rd, Neighbourhood: Ville-Québec, 418-645-2158

**Place Royale**

This is the square where Samuel de Champlain docked in 1608 when the French colony in this area. It is now a public square and a picturesque wereld. In order to commemorate Samuel de Champlain, a statue was erected in this area.

Located in Vieux-Québec.

**Pub Saint-Antoine**

English pub, but offers French chefs such as a month-saturing-bite-five, apple and carmelized nut salad. Their baguette offerings include their huge selection of over 250 varieties of beer. A relaxing atmosphere to chill with friends and experience a delectable meal.

1087, rue Saint-Jean, Neighbourhood: Ville-Québec, 418 694-8015 | $ 

**Café de Paris**

Home for a coffee break or for a quick bite. Café de Paris offers hot food with French flair.

66 St-Louis, Neighbourhood: Ville-Québec, 418-634-9492 | $ 

**Le Parciche**

Located in an 1872 heritage house in Old Québec. This place is run as a four diamond restaurant. It offers a wide selection of dishes from fresh meat to fresh fish. In addition, there is a special five-course menu that includes frog’s legs from appetizer to dessert. ($99)

17 rue St-Sacrement, Neighbourhood: Ville-Québec, 418-622-3485 | $$$$ 

**Mark your calendars!**

By now you probably have heard about honda’s talk, but next year’s CORS is going to be a fabulous conference with Honda International and will be held in Toronto from June 14 to 17, 2009. Just to see if you haven’t already from “confused” that you, here are some even to think of (at least on a casual glance):

- by Sample Title
- June 5-7: The 2008 Manufacturing & Service Operations Management (MSOM) Conference is held at the University of Maryland, College Park, MD. Check the details at http://www.manufacturing2008.umd.edu/ 
- July 13-18: And here is one of the highest benchmark! 10th Triennial conference of Operational Research Society 2008 will be held in Sanjim, South Africa: http://voscai2008.org 
- July 28th - August 1: And if you thought you just knew about all, here is one that might not be known: The ORCHS (EURO Working Group on Operational Research Applied to Health Services) conference is held in Tunisia this year. If you think you’t see the conference is held in Europe, guess where it is held in 2002! Brazil The conference is proceeded with a PhD workshop, July 24-25. The deadline for abstracts is June 27, 2008.

October 15-12: The next INFORMS Annual Meeting will be held in Washington, DC. Don’t miss the deadline for abstract submission: May 15, 2008.

Check out the conference website at: http://meetings.informs.org/DC08/ 

**CORSWord**

Fill out the crossword and bring it to Daphne or Ali, and you can win one of 3 gift certificates to holiday inn or 1. 2. 3. 4. 5. 6. Across Crosses
2. Female actor from Quebec City was Golden Globe for Pocketful of Miracles
5. Won the first Nobel Prize in 1901
6. Developed the Tabu Search algorithm

Down Crosses
1. City that hosted the most number of CORS conferences (12)
2. Developed the Simplex method

**CORS TImelines**
